

A red-carpet favourite, the bouffant is chic and elegant, and gives the illusion of height and va-va volume. Coupled with dark, smoky eyes and a berry red pout, this look is sure to make anyone go weak in the knees.

PICTURE PERFECT

These soft, cascading waves are right on trend. The highlights make the hair look dramatic by breaking the monotony of a single hair colour. Just add some subtle (read: nude) make-up and a drop-dead gorgeous smile, and you are ready to paint the town red!
