

Raising the bar

SEEMA V. JERAJANI showcases her collection, "Avant Garde", at a recent seminar organised by HIP (Hair Inspired People).

These styles are a feast for the eyes! There is texture in abundance, but the emphasis is on height, volume and glamour. I have shown how to dress hair while playing with texture and using hair additions as well as the creative artistic aspect of emerging fashion techniques and avant-garde hairdressing.

Seema V. Jerajani is Creative Director and Proprietor of Fusions Salon.
