

Seema J. Felicitated

Guess who was spotted at Salon International this time! None other than our beloved Style Speak reader, Seema Jerajani! What's more, Seema had

been invited to UK by City and Guilds, as she was one of the few recipients to have received the LCGI (Licenciateship) in Hairdressing, a senior award at the level of Master Craftsman in Europe and towards the level of National Vocational Qualification (NVQ) Level 4 in recognition of achievement through education, training and experience. For those who didn't know, City & Guilds is the leading vocational awarding body in the UK, awarding almost 50% of all National Vocational Qualifications (NVQs). It is a global organisation, providing unique internationally recognised qualifications across the world through City & Guilds International.

Seema was formally recognised for the achievement at a ceremony on the 23rd Oct, 05 at Salon International in London's ExCel Conference Centre.

Congratulations Seema! Style Speak looks forward to seeing more of its readers achieving such great heights...
